2. Click "Register Now" under the *Relay Teams* option
3. Select one of the two *Relay* registration options
4. In the *RELAY* section:

 - b. Select the best fit for your team in the *Relay Team Composition* dropdown
 - c. Choose "Corporate Energy Environment Geology" from the *Select Relay Division* dropdown
5. In the *ADDITIONAL QUESTIONS* section, after selecting "yes" to "Are you considering raising funds or awareness for a charity?*" you will be prompted to select a charity from a dropdown list, select "Denver Public Schools Foundation"
6. That's it! Once your team is registered, DPSF will be notified that you selected them as your charity

So sit back and relax, until the training starts. DPSF will contact the team captain confirming your team's participation in the COGA Cup and providing fundraising support and other helpful information.

Please note: you will need to pay the team fee at the time of registration; you do not need to create an account, but the team captain will need to provide their email address; you do not need to add your teammates during registration, you have until April 21 to provide their information.
